MARCH BREAK CAMP 2022

March 14-18, 2022

OUR PHILOSOPHY

St. Gabriel Child Care Centre March Break Program is grounded in key virtues that align with our vision to further develop your child's respect for self and others, achieve independence and grow in self-confidence.

Our camp values building positive relationships with one another and within the community. During our program we bring together a unique group of both staff and campers which forms a community where everyone is welcomed. We create an environment that allows children to explore, play and discover through curiosity. The dynamic of our March Break Program is to focus on infusing virtues into every daily learning experience.

CAMP SAFETY

Our March Break Program will mainly consist of outdoor activities which will allow the children to engage in more gross motor play and exploration. This will give the children the opportunity to maintain safe social distancing and will allow the educators to easily practice all regulations surrounding all COVID-19 protocols. We look forward to having a safe and fun filled March Break!

*All COVID protocols as per York Region Public Health will be maintained and followed.

*Our program is COVID conscious
